### CNN "IReport" - Unknown Objects Videotaped over Phoenix, AZ

CNN's IReport has posted a video of unknown lights over Phoenix, Arizona. Brad Drenning took video of four lights which flew in various formations.

Drenning reported that no sound was heard from the objects/ lights. He took about 11 minutes of film.

Military authorities stated that there were no planes flying at the time of Drenning's sighting. Brad stated that he has not been contacted by anyone regarding his film or sighting to date.
