January 30, 2011 - Aerial Mystery Over Jerusalem.

“This morning on January 28, 2011, around 1:00 AM at the promenade of Armon Hantziv in Jerusalem, I was witness (with another guy) of an amazing ufo aircraft over Jerusalem old city (Mount Moriah) Dome of the Rock, Temple Mount.

What is the meaning of this sighting ???” At about 55 seconds in the object takes off really fast !!

Here is the video from the other person cell phone
