Here is a serious and sobering look at one of the most bizarre and puzzling things happening in our world today, UFOs,,,, a Christian perspective,,,, presented by the renown author and biblical scholar Dr. David Allen Lewis.

As a clergyman, lecturer, researcher, and publisher, he had been active in national and international circles in promoting the welfare of the Church, of Israel, and of the Jewish people. He felt God called him to be a Christian ambassador to the nation of Israel. And in 1975 he founded Christians United for Israel (CUFI). He also was one of the founders of the National Christian Leadership Conference for Israel, and was the current chairman of the board.

He authored over 40 books, produced 39 television documentaries on location throughout Israel, and traveled to the Middle East 67 times, promoting the welfare of the Church, Israel and the Jewish people. He is remembered for his radio program, God's Word For Today's World, and his publications, Jerusalem Courier and Prophecy Digest, Prophecy Watch, Audio Prophecy Digest, and his Tape of the Month Service. He also operated the Prophecy Research Center and directed the Springfield Regional Eschatology Club.
